

The screenshot shows a Java Swing window titled "Ingreso Datos". The window has three tabs: "Alumno", "Materia", and "Matricula". The "Materia" tab is currently selected. Inside the window, there are three text input fields: "Id:" containing the value "5", "Ingrese materia" containing "BDD", and "Descripcion" containing "Base de datos". Below these fields are three buttons: "Guardar", "Eliminar", and "Limpiar". The window is displayed over a background of a Java IDE with several files open, including "Conexion.java", "console", "InsertMateria.java", "MateriDatos.java", "PersonaDatos.java", and "Alumno.java".
